

Health and Safety Policy Statement

GBM are fully committed to delivering the highest standards of Health and Safety to prevent injury or ill health to any persons in all aspects of our business alongside quality, productivity and customer satisfaction.

As Managing Director I am ultimately responsible for Health and Safety within the Company and for this reason will ensure that Health and Safety issues are given the highest priority and that all the resources necessary for their effective management are made available.

Responsibility for the implementation of this policy lies with line management, while all employees are responsible for ensuring they co-operate and comply with this policy and all related Company Health and Safety procedures, standards and practices.

This Health and Safety Policy will be reviewed as a minimum annually in consultation with our employees, considering changes to work operations or relevant statutory requirements. These reviews will include for the measurement of progress against set objectives in order to ensure ongoing continuous improvement.

I do not expect anyone who is engaged in work operations to carry out any activity in a manner that places the health and safety of themselves or others in jeopardy.

As with every aspect of our business we want to know when things do not happen in the manner intended. Should any instance arise where Health and Safety issues are not being addressed in line with this Policy Statement I ask that you make me aware and I will deal with the matter personally, I can be contacted via our Head Office on 01507 607289.

A copy of this Policy Statement will be prominently displayed at each of our work sites and offices, and will be made available to any interested parties.
